

Tayana Wong, director of club services at the Rotary Club of Trafalgar New Heights, is flanked by boys during a dance-off at Kiddies' Christmas Treat at Maverley Primary and Junior High in St Andrew. The treat was organised by the club in partnership with JN Money Transfer.

JN treats Maverley children

Maverley's little residents trickled into the playground at Maverley Primary and Junior High, St Andrew, to be treated by the Rotary Club of Trafalgar New Heights, in partnership with JN Money Services Limited, operator of the popular remittance brand, JN Money Transfer.

Their little eyes lit up as they saw 'Puff the Magic Dragon' come to life in the form of a bounce-about. Without hesitation, they jumped and somersaulted, as other children, preparing to sit the 2015 Grade Six Achievement Test, watched from classrooms – waiting for the moment when they could join the fun.

When the moment arrived, they stormed out in full force to join the treasure hunt for sweets and treats while the JN Foundation's ACTION volunteers enticed them with games and dance.

"Mek me show you," one little boy said before demonstrating to his friends how to do the 'Shampoo' in a dance-off.

"Who is putting on this treat today?" a volunteer asked: "JN Money Transfer, Rotary Club of Trafalgar New Heights," the children chorused, as they tried to claim a spot prize.

They ended the day with their own dance party, showing off the latest moves.
