A Jamaica College student formally opens the door to the refurbished PTA Shoppe at the Old Hope Road, St Andrew, campus of Jamaica College yesterday, while Education Minister Ruel Reid (left) and JN Foundation General Manager Saffrey Brown look on. The facility, refurbished at a cost of \$5.2 million, will assist students with conducting research and having their school-based assessments submitted in a timely manner. It includes a document centre with eight high-end Lenovo computers and a storage area from which school supplies and JC memorabilia will be sold. Jamaica National was the main sponsor, contributing \$2 million. The other \$3.2 million was sourced through other donors. The reopening came during the 10th year of JC's 10-year
